THE subscriber respectfully invites the attention of his friends and the public generally to his Plano-Forte Establishment, at No. 427 Broome Street.

Having withdrawn his interest, stock and materials from the late firm of "Lighte & Bradburys," which firm was dissolved on the Jist January nit., and having purchased the entire stock of Pisno-Fortes and Plano-Forte Material, owned by his brother, Edward G. Bradbury, in the said firm, he is now prepared to supply the increased demand for his celebrated Plano Fortes. Employing the most skillful and experienced workmen, with a large stock of the best and most thoroughly seasoned material, and an abundance of Capital, he has taken in hand the personal supervision of the whole business of manufacturing his instruments, and is enabled to turn out Plano-Fortes of unequalled fore and durableness.

Bradborn's N.w. Scale Plano-Forte.—In the arrangement of our new Scale, drawn and prepared with the utmost eare, expressly for our new instruments, we have saided every improvement which can in any way tend to the perfection of the Pisno-Forte, and we can confidently assert, that for delicacy of touch, volume, brilliancy and sweetness of tone, combined with that strength and solidity of frame necessary to durability, these instruments are unequalled.

"Brancorn and Brauty" is our motto, and we invite the closest criticism of the best unbiased judges in the land. Every instrument warranted for five years.
